

YEAR 1 HOMEWORK ENRICHMENT TASKS: SPRING 2018

‘Around The World’

Choose an activity to complete, you can complete them in any order you like. See how many you can complete before the end of term.

Create your own map. Include the names of different places or countries.

Find some interesting facts about another country? (i.e. an invention or famous person.)

Make your own flag?

Write a story about travelling to a tropical country.

Make your own weather report for where you live.

Write a story about travelling to a cold country.

Make your own globe?

Build your own house. What materials will you use?

Make up your own language and write a dictionary that translates each word into English.
